

February 3, 1978

LB 276, 323, 574

CLERK: Mr. President, LB 276 was advanced to Select File. I now have amendments offered by Senator Fowler. They are nine page amendments.

SENATOR FOWLER: I can explain them.

PRESIDENT: Have we gotten the E & R out, have they been adopted? Okay. Senator Fowler.

SENATOR FOWLER: The bill deals with the corroboration of drug informants testimony. The bill amended the criminal code that is still in effect but it will be, the criminal code is going to be repealed because we passed the criminal code last year. All the amendments are in the language from the new criminal code so that the bill will amend that. The current bill amends the old criminal code. If we pass this bill and that criminal code is repealed, July 1, so in effect, we have done nothing. So all the amendments are, they came from the Revisor's office and they just make it, it is the same bill except now it amends the new criminal code. So I would move for their adoption.

PRESIDENT: Any further discussion? The question is the adoption of the committee amendments. Record your vote. Excuse me, they are Senator Fowler's amendments. Please vote. Record.

CLERK: 26 ayes, 0 nays on the adoption of the Fowler amendments, Mr. President.

PRESIDENT: They are adopted.

CLERK: I have nothing further on the bill.

PRESIDENT: All right. The question is, shall the bill be advanced? All in favor say aye, contrary say nay. The bill is advanced. LB 323. Senator Mills, are you up to it? Senator Culllan, I guess all we have is E & R amendment then. 323.

SENATOR CULLAN: Mr. President, members of the Legislature, I move the E & R amendments to LB 323 be adopted.

PRESIDENT: All in favor say aye, contrary say nay. They are adopted.

SENATOR CULLAN: Mr. President, members of the Legislature, I move that LB 323 as amended be advanced to E & R for engrossment.

PRESIDENT: Discussion? All in favor say aye, contrary say nay. The bill is advanced. LB 574. Senator Maresch.

SENATOR MARESH: Mr. President, Senator Kremer's committee has some amendments they would like, you see, there is another bill that does the same thing in their committee, and they would like to incorporate the two bills so we are going to hold it over for next week.

PRESIDENT: All right. Senator Culllan, would you move the E & R amendments on 574?

SENATOR CULLAN: Mr. President, members of the Legislature, I move the E & R amendments to LB 574 be adopted.
